

ExxonMobil

CFZ Demonstration Plant
Kemmerer, Wyoming
\$120,000,000 Total Value

Project Quick Facts

21 Month Duration

495,000 Workhours

Modular fabrication, Erection & Field Construction

Scope of Services:

- All field construction services.
- Modular fabrication of twelve Process and pipe rack modules from Port Allen, LA to the project site in Wyoming. Turner then erected each module at the site.
- The largest module weighted approximately 336,000 lbs. and measured 12 ft. X 18 ft. X 113 ft.
- Work was performed through the winter months of 2009-2010 including some extreme conditions.
- The vast majority of the work was self-performed by Turner Industries.
